

Trinidad

Dear Friends and Family,

I'm writing to invite you to be a part of an exciting missionary journey to the islands of the Caribbean! This January our team of Discipleship Training School (DTS) staff and students will begin the 10 week mission of loving, serving and bringing the Gospel of Jesus to the people of 3 caribbean nations: Trinidad and Tobago, the Dominican Republic and Haiti.

I have been in Madison, Wisconsin with an organization called Youth With a Mission (YWAM) for the past 3 months as a part of their DTS program. Along with my 7 classmates from 5 different nations I've been learning about God's nature and character, surrendering to Him completely, the Bible, hearing God's voice, His heart for the nations and much more! The upcoming outreach is an opportunity to apply and share with others what I have been learning.

What we'll be doing...

Each of the nations we'll be in has it's own language, cultural flavor and needs. We will be working with local missionaries to help meet the specific needs of the people in each nation. Our first stop will be Trinidad and Tobago, an English speaking nation. We will be ministering to street kids, teenagers and drug addicts and helping with some construction projects. Next we'll head to the Spanish speaking nation of Dominican Republic where we'll work with

women who are caught in prostitution. Also we will be doing a lot with children and youth. We are preparing kid's programs and sports activities. Then it's to the other side of the island to the French (Creole) speaking country of Haiti. Here we'll work at an orphanage playing with and ministering to the kids. We'll also be building them a much needed playground on an empty lot nearby.

How you can be involved!

First of all you can pray for us! This trip will be challenging for me personally and for my team. Pray that we will be unified and led by God and will effectively share His Word and show His love. Pray that the hearts of the Caribbean people will be open to God.

Like each of my team members, I am responsible to pay for my own airfare and living expenses while on outreach. Would you consider joining this team by helping me financially? The total cost will be \$2,750. My deadline for payment is December 20th. Your gift will help the people of the Caribbean see the love of God in action! Thank you for prayerfully considering going with us in this way! To give, please fill out the form provided and send it with your check made payable to YWAM.

Sincerely,

Haiti
